

IYA2009 National Nodes
Final Report Questionnaire
January 2010

Dear IYA2009 National Node,

The evaluation of IYA2009 is our highest priority in early 2010. When preparing this form, our main aim was to minimize the time you spend on this. We believe that the form can be filled out in 30-40 minutes depending on the number of activities you want to report on, and we appreciate the time you can spend on this.

Please submit this form to the IYA2009 Secretariat until the 28th of February 2010

5. IYA2009 overview in your country

Please give us a general overview of the IYA2009 activities in your country (500-1000 words)

6. Formal Evaluation

Has any formal evaluation been carried in your country for the IYA2009 activities?

No

Yes

If yes can you give us further information about the formal evaluation that you have carried out?

7. Lessons learned

Imagine that someone in the future would engage in similar activities as your National Node. Can you give any advice on what worked well and what worked less well? (lessons learned and best practices).

8. Legacy

Do you or your organising committee have plans to continue education and public outreach activities in astronomy in your country after 2009? Will any of these be part of the "Beyond IYA2009" programme?

(http://www.astronomy2009.org/static/archives/documents/pdf/iya2009_legacy.pdf)

9. Comments

Do you have any additional comments about IYA2009 you would like to share with us and include in the IYA2009 Final Report?

Thank you for your time!
